

Parish Survey

A Parish Survey will be delivered to every resident in Green Hammerton. This is a Parish Council initiative and the council secured the funding to carry out the Survey from North Yorkshire Council via the Stronger Communities Inspire Fund. The survey group is a small number of individuals hoping to represent the other groups and individuals in the Community. They are (in no particular order!): Claire Jeffrey, Dee Copley, Andrew Russell, Gill Singleton, Bob Clements, Sue Holden and Rachael Holloway.

Please let us know if there is anything else we can help with, with regards to the survey. We look forward to hearing your views.
